MANDATORY
Session 32 A

Mandatory Inspector
Continuing Education

This is a renewal year so don't delay

January Mandatory Session 32 A

The curriculum came in late, but is here so we are doing the mandatory session 32A the Wednesday January 10th at 6:00 pm in Woburn. Please share this with all the inspectors as we want to be sure everyone has the opportunity to get these classes prior to renewal in May.

December Meeting had lots of Winners

Lots of great items were brought for the raffle, and many people went away with great gifts including two televisions and a pair of Celtics tickets.

Mandatory 4-Hour Inspector Seminar
8am on February 14th in Woburn

NMPGIA and IAPMO have teamed up to bring you the final 4 hour mandatory Inspector Training seminar,

session 32. The Seminar will be held at the Crowne Plaza in Woburn on February 14th starting at 8 am. NMPGIA will then hold a 1 hour mandatory seminar after the IAPMO seminar is over. Lunch will be served. IAPMO will be sending out registrations for session 32 in the near future. This date will allow NMPGIA members to have completed all renewal requirements with plenty of time before the May renewal date.

Winter and Snow Reminder

It is that time of year when we need to remind everyone to keep their exhaust vents and air takes clear of snow. Be sure to look at all vents to ensure they are clear. This will avoid Carbon Monoxide issues, and also no heat in homes and businesses. An ounce of prevention is worth a pound of cure.
