MEGA PRESS Certification Seminar

We have a great opportunity this month. Paul Jappe from Viega along with one or two of his associates will put on a certification seminar which includes hands on opportunity to use the Mega Press tools and fittings. For those interested you will receive certification from Viega if you complete the seminar. This is a special opportunity and we thank Paul for doing this.

Nominations Needed –Elections in May

Along with the annual election of Officers, we will need a new board member this year. This is your organization and **NEW** individuals keep the organization vibrant. If you or someone you know wants to run or is willing to help please tell one of the current officers, or email Jim Blake at jblake@eastern.com with any suggestions. Elections will be held in May for the coming year. Get involved; *it is your association.*

April Meeting is at Montvale Plaza

The April Meeting is at Montvale Plaza located on Montvale Ave in Stoneham. Montvale Plaza is just off RT 93. Take the Montvale Ave exit and head towards Stoneham. Montvale Plaza will be on your right about a ¼ mile from Rt 93. (54 Montvale Ave) Everyone enjoyed the meal last month so come learn and enjoy.

Thanks to Joe from Shark Bite

We want to thank Joe from Shark Bite for the detailed presentation on the new line of Shark Bite permanent fittings and tubing available for contractors. This is a different product than the repair fittings everyone has seen. It is a competitive system with the pex system.

Thanks to Jim Quinlan

We want to thank Jim Quinlan for his tremendous personal effort in providing all the training for the past renewal cycle. Jim works tirelessly to assemble each session and then spends hours inputting the license information to the state, which includes fixing many errors made on the certification forms handed in. Please make a point to say THANK YOU to Jim.
