**Mega Press**  
**Certification Class**

**Note start time - Rescheduled from April**

**MEGA PRESS Certification Seminar**

We have a great opportunity this month. Paul Jappe from Viega along with one or two of his associates will put on a certification seminar which includes hands on opportunity to use the Mega Press tools and fittings. For those interested you will receive certification from Viega if you complete the seminar. This is a special opportunity and we thank Paul for doing this.

**Elections in May - Nominations Needed**

Along with the annual election of Officers, we will need a new board member this year. This is your organization and **NEW** individuals keep the organization vibrant. If you or someone you know wants to run or is willing to help please tell one of the current officers, or email Jim Blake at [jblake@eastern.com](mailto:jblake@eastern.com) with any suggestions. Elections will be held in May for the coming year. Get involved; *it is your association.*

**Meeting Location Reminder - Montvale**

54 Montvale Ave Stoneham. Take the Montvale Ave exit off Rt 93 and go about a ¼ mile Montvale is on the right.

**April Meeting – Code Discussion**

The April Meeting at Montvale Plaza was a meeting related to code discussion. Due to a communication issue the Mega Press seminar had to be rescheduled until this month (May). We apologize for any inconvenience and appreciate everyone's great understanding and consideration with the mix up.

**New State Executive Director**

We want to thank Larry Lemieux for stepping forward and accepting the State Board's Executive Director position. Larry has many years of experience and has seen and been involved in a large variety of projects over the years. His practical experience and knowledge will be of great assistance to him as he assumes this new opportunity. Good Luck Larry, we're behind you.

**More thanks to Jim Quinlan**

We want to thank Jim Quinlan for stepping up and providing some unscheduled make up classes at the April meeting. Although not scheduled, Jim jumped in when things changed and provided make up class for some of the inspectors present at the meeting. Just a bonus for those whom chose to attend the regular meeting in April

**Future Meeting Dates**
