

February 1, 2019

**February 13<sup>th</sup> Meeting**

**11:30am**

**Mandatory Session 34B  
Featuring Navien Boilers**

**New Location:**

**Angelica's Restaurant**

**49 S. Main St (RT114) Middleton, MA**

*It's a new season don't get behind on your  
required Continuing Education*

**Session 34B in February**

We will be doing mandatory session 34B which will feature Navien Boilers this month in Middleton. Jim Quinlan and the Manufacturer's Representative John O'Rourke will instruct the class. Navien has received some attention recently due to a product recall so this should be very informative. We suggest you attend to hear the latest information from Navien directly.

**Meeting Location - UPDATE**

Based on feedback at the last meeting, the NMPGIA board has made arrangements to meet at Angelica's Restaurant at the intersection of RT 114 & RT 62 in Middleton, MA. The location is reserved for all meetings through May, including a joint meeting with IAPMO in April for the four hour mandatory Session 34.

**IAPMO SESSION 34 – April 10<sup>th</sup>**

Once again IAPMO and NMPGIA will team up to provide our members a combined Continuing Education class. IAPMO Session 34 will begin at 8 am, and then be followed by a lunch and the NMPGIA seminar. IAPMO Session 34 requires advance registration through the IAPMO office (form available online).

**Holiday Raffles - January 9<sup>th</sup> @ 11:30am**

Christmas comes but once a year, unless you attended the NMPGIA meeting in January. Not only did everyone get credit for the Continuing Education seminar with Apollo Press fittings and piping system, but they also got to participate in the Holiday Raffles. Many people won gift cards to restaurants, gas cards, and misc gift cards. Big winners included Gerry Viens with a pair of tickets to the Boston Celtics, 9 rows from the floor, Vinny Kissel and Ken McConnell winning 50" televisions each. We hope everyone enjoyed the meeting.

**Future Meeting Dates**

February	13	11:30 am @ Angelica's - RT114 - Middleton
