## March 13<sup>th</sup> Meeting

(note time) **6:00 pm** (note time)

**Featuring - Session 33A**  
**Polypropylene Vent Systems**  
**And - Session 34A**  
**13B Systems**

### **Location:**

**Angelica's Restaurant**  
**49 S. Main St (RT114) Middleton, MA**

*It's a new season don't get behind on your  
 required Continuing Education*

### **March is Catch-up Month**

Many members missed session 33A Poly Propylene Vent systems & 34A on 13B systems due to the Merrimack Valley Disaster and a lack of NMPGIA meetings during that time. In March the Association will do make-up sessions for anyone whom needs these sessions. The cost will be \$35.00 for one session and the meal, and an additional \$20.00 for the second session if you need both. Certificates will be handed out at the door when you sign in, and pay.

### **Meeting Location - UPDATE**

We will meet again at Angelica's Restaurant at the intersection of RT 114 & RT 62 in Middleton, MA. Last

month the feedback was great and we had a sold out facility. A couple small hiccups on the set-up but overall the feedback was very positive regarding accessibility, food, and comfort.

### **IAPMO SESSION 34 – April 10<sup>th</sup>**

A few seats were still available as of last week for the IAPMO and NMPGIA Session 34 four hour mandatory inspector training. The IAPMO Session 34 will begin at 8 am, and then be followed by a lunch and the NMPGIA seminar. IAPMO Session 34 requires advance registration through the IAPMO office (form available online).

### **February Meeting Follow-up**

We would like to thank the folks from FW Webb and Navien for participating in the session 34B last month. There was a lot of interaction between the manufacturer, inspectors, and contractors regarding the recall and propane conversion issues. Navien and Webb both reassured the group that all the equipment had been identified and either removed from inventory or was updated with the correct orifice. Again we want to thank the folks from Webb and Navien for taking the time to educate everyone.
